Special price quotations on orders amounting to over

\$12.00. Make a list of the varieties wanted, then write for a special price on the lot.

We guarantee all stock to be true to name and to be free from disease when received, to the extent of replacement next year. But not responsible for more than the purchase price, as we do not have control over growing conditions. Kindly notify us at once if anything is unsatisfactory when received, or if plants or roots fail to grow after being planted a reasonable length of time.

Order early and avoid disappointment, as our stock of some of the newer varieties are limited.

We have many varieties not listed here. Write us your wants, we may be able to supply you at a reasonable price. Also we expect to prepare a special plant list, ready about April 15th which will contain some varieties not listed here. If you are interested in plants drop us a card and we will be glad to send you one.

Roots to be mailed April 10th to May 25th. Plants May 15th to June 15th.

All orders over \$1.50 postpaid. For less than \$1.50 kindly add 15c for postage and packing. Dahlia collections A, B, C, D, E and F are postpaid. The two gladioli offers are also postpaid.

Kindly send full amount with order, as prices quoted herein are too low to carry charge accounts.

Our gardens have been Federal and State inspected and have been found apparently free of dangerously injurious insects and plant disease.

We have tried to prepare an inexpensive price list no fancy pictures or descriptions. Compare our prices with other catalogues, and you can easily see how savings have been passed on to you.

We are members of, The American Dahlia Society and The West Virginia Dahlia Society.

This year we are importing and trying out a number of foreign dahlias with the expectation of offering them to the public in the future. We extend you a cordial invitation to visit our gardens during the growing season and see these new varieties perform. Our gardens are located 5 miles east of Fairmont on the Winfield Road at the village of Winfield. Visitors are always welcome. We will be glad to talk dahlias with you at any time.
